

REMARKS

Claims 1-28 and 30-32 are pending in the application. By the above amendment, claims 26-28 and 30-32 have been canceled without prejudice.

This Supplemental Amendment is being filed in response to the courtesy extended by the Examiner in contacting Applicants' undersigned attorney advising that claims 1-25 are in condition for allowance in view of the previous Amendment filed on 12 April 2007. Applicants have cancelled claims 26-28 and 30-32 from further consideration in this application for the sole purpose of expediting prosecution and placing the application in condition for allowance. Applicants are not conceding in this application that the rejections of claims 26-28 and 30-32 are valid, or that claims 26-28 and 30-32 are not patentable over the cited art of record. Applicants respectfully reserve the right to pursue claims 26-28 and 30-32 and other claims in one or more continuations and/or divisional patent applications.

Respectfully submitted,

\Frank V. DeRosa\
